The Friday ZOOM SOCIAL Will Still Continue to be Held 1ST & 3RD Fridays of the Month !

Can't wait to see Everybody again !

Mr. C. says: " ALL YOU KNOW? - YOU MIGHT NOT KNOW!"

NOW, think about these. Did you know:

Never be afraid to try something new. Remember, amateurs built the Ark. Professionals built the Titanic !

Talk is cheap - because supply exceeds demand.

Love is grand: divorce is a hundred grand.

To never mind going nowhere - as long as you are on an interesting path.

Even if you are on the right track, you will get run over - if you just sit there. (You got to move)

Indecision is the key to - flexibility.

In just two days, tomorrow will be yesterday.

You are in good shape. Round is a shape. Right?

Not to be afraid of heights (Sometimes) – Just be afraid of widths. (They are sneaky)

You might have said, "I do not want to be a procrastinator", but you just never got around to it.

When you have kleptomania, and when it gets really bad, all you have to do - is take something for it.

Life is an endless struggle, full of frustrations and challenges, but eventually– you will find a good hair stylist you like.

You are getting old when you get the same sensation from a rocking chair– that you once got from a roller coaster.

It is frustrating when you know all the answers, but nobody bothers to ask you the questions.

Brain cells come and brain cells go, but fat cells want to live forever.

Age does not always bring wisdom. Sometimes, age comes alone.

You do not stop laughing because you grow old, you grow old - because you stopped laughing. Until next Month—
