¡ADELANTE!
NAMING CAMPAIGN

Adelante! Naming Campaign - Adelante has several meanings in Spanish including Go Ahead! Come In! Onwards! Yes! All these sentiments speak to the enthusiasm and whole-hearted welcome 87 households, for a likely total of 200 people, are receiving as they move into Central Terrace this summer and early fall.

We invite you to join us in the spirit of Adelante through our Naming Campaign. Affirm the value of permanent supportive housing in Oxnard through a recognition plaque: name an apartment ($5,000), a tree ($2,500) or even the Community Room ($100,000). These one-time or multi-year pledges will show all who come to Central Terrace how much your company cares.

You can view the Adelante! packet in its entirety here.

The Adelante! Naming opportunity pertains to Central Terrace. Naming opportunities will be available at all other communities.
