Property Management Administration

Our Community Managers are looking for some organization and filing assistance in the offices. This would be one day, each week, for 2 hours till the project is complete. These are bigger projects so this could be more of a reoccurring opportunity. Mornings seem to work best but all Managers are flexible. Since this project is on site, all safety requirements will be followed.

Virtual Guests Needed

Do you have a special talent or skill? If so, our Adult Services residents are eager to see! We're looking for musicians, singers, beatboxers, comedians, poets, nutritionists, cooks or bakers, botanists, gardeners, historians etc. We welcome you as a Many Mansions guest to our Friday Shooting the Breeze virtual session.

COVID-19 Vaccines

Many Mansions wants all of our volunteers and supporters to know that we are actively encouraging our staff and residents to take advantage of the COVID-19 Vaccinations..

Congratulations!

We are very excited to share that one of our own, Miss Megan Wang, was awarded with the Congressional Award for her major commitment to being a young philanthropist. She was selected by the U.S. House of Representatives or the U.S. Senate and her gold award was presented to her by U.S. Rep. Julia Brownley.

We first met Megan back in 2017 at Bowls of Hope, where she volunteered with National Charity

League (NCL), at age 12. She assisted our infamous gift bowl table. Since then she joined our Villa Garcia Homework Club assisting our youth residents.

Megan has gone above and beyond to support our mission and provide any assistance she could to our programs and residents. All while also helping Manna Conejo Valley Food Bank and the Conejo Recreation and Park District's Therapeutic Recreation program!

While we haven't seen Megan due to the pandemic, she has let us know she can't wait to return to Many Mansions and continue working with our youth. We are so proud of all Megan has done for this huge achievement!

Congratulations Megan! You are a true role-model and we can't thank you enough for all your dedication to Many Mansions!

Small Acts of Kindness

At the beginning of the month we received a call from a rather small community member. It was eight year old Samantha. Over her winter break she wanted to do something to make people smile, specifically children.

While she didn't necessarily know where to give, she had a plan to recruit others to help donate art supplies. She even went a step further to draw her own coloring books to be added to the supplies.

With a load of donations in hand she looked to her congregation for help in where she could donate the art supplies.

Congregation Or Ami then pointed Samantha to our Organization.

When Jessica met with Samantha and her mother and sister she was shy but so happy to be giving to other children. Jessica told the three about Many Mansions and her impact toward our mission. When leaving she had a the biggest smile through her little mask.

Samantha proves that good things can come in small packages and that anyone can make a difference!

Thank you to Samantha and Congregation Or Ami for supporting our mission!
