BIG NEWS! - Section 8 Housing Choice Voucher Program Waiting List Opening Up!

The Area Housing Authority of the County of Ventura (AHA) will be accepting applications from Tuesday, January 30, 2024 through Tuesday, February 13, 2024 for the Section 8 Housing Choice Voucher Program from very low income households.

You do not need to rush to apply. Waiting list placement will be based on the random lottery process and not on a first come first served basis.

Beginning Tuesday, January 30, 2024, at 8:00am through Tuesday, February 13, 2024 at 4:00pm applications will be accepted online. Applications will be accepted via an online portal at onlineportal.ahacv.org. If you require assistance or if you are a person with a disability and require an accommodation in order to complete an application, please contact our office at (805) 480-6010 or send an email to wl.info@ahacv.org. For assistance for individuals with hearing impairment, please contact the AHA using TTY (805) 480-9119. Due to scarce resources available to the AHA up to 3,000 applications will be selected by random lottery drawing and placed on the waiting list from all eligible applications received. The random lottery will determine the applicant's placement on the waitlist. Date and time the application is submitted will have no bearing on final order or placement on the waitlist.

WHAT YOU NEED TO APPLY: An email address is required to submit the online application. Please ensure you have an email address before beginning the application process.

Name, date of birth, social security number of each household member Annual household income amount

Supportive Services Case Managers Corner

**ROSEANNE
HERNANDEZ**

Hello, My Name is Roseanne Hernandez. I have been a case manager in Adult Supportive Services for over one year at Many Mansions. I am a recent graduate from Pepperdine Graziadio Business School, Class of 2023, and have attained my Master of Science in Management and Leadership. I aspire to move forward and attain my doctoral degree, sometime in the near future. I am happiest when in school, learning, growing, and evolving. I love to let our residents know the importance of education and how much meaning their health, goals and aspirations mean. In my free time I am a Pepperdine Student Ambassador in which I volunteer to support and guide incoming students. An important part of my educational journey was learning about SEER perspective of sustainability and the 17 Sustainable Development Goals (SDGs - Please see below.) Thank You Many Mansions for supporting our residents and making a difference in our communities.
